

DALĪBA - ATBALSTS - IEGUVUMI

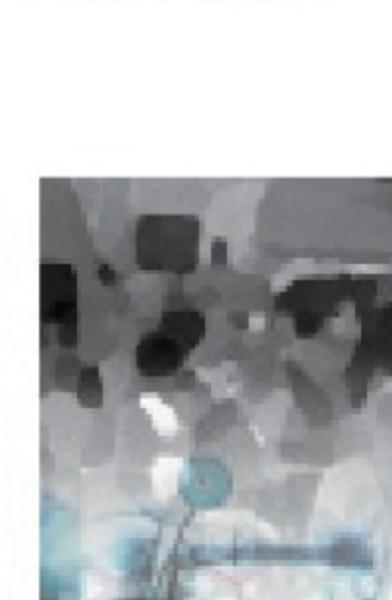

LBB JSS dibinata 2009. gada aprīlī, kad neliela grupa energiskū, gudro un aizrautīgu bibliotēkzinātnes studentu nolēma apvienot savus spēkus, lai veicinātu jauno speciālistu kustības atpazīstamību Latvijā un ārzemēs.

semināros un velobraucienos visā pasaulē, tomēr tas nebūtu iespējams bez atbalsta.

10. The following statement is true about the *liver*:
A) It is the largest gland in the body.
B) It is located in the upper right quadrant of the abdomen.
C) It is involved in the production of bile.
D) It is involved in the metabolism of proteins, carbohydrates, and fats.

A decorative floral ornament, possibly a stylized flower or leaf motif, located at the bottom right corner of the page.

MOBILITY PROGRAMME

The image is a circular collage composed of numerous overlapping words in different colors (blue, purple, green, yellow) on a white background. The words are related to professional development and include: 'Publikācijas', 'Jauni draugi', 'Pieredze', 'Sadarbība', 'Partneri', 'Prakse', 'Motivācija', 'Kontakti', and 'BOBCATSSS'. Some words have smaller text or numbers next to them, such as 'BOBCATSSS' with '100', 'Jauni draugi' with '100', and 'Pieredze' with '100'. The overall effect is a dense, circular cloud of text.
